After a long night of partying, [lipstick lesbian pussy](#) fanatics and foot fetish [teen sex](#) babes Capri and Ruby arrive home exhilarated, tired and horny. There aren't any boys around to rub their tired feet after dancing, so they'll have to rely on each. Feeling generous and fidgety, they quickly discover that a good mutual foot rubbing is exactly what they need. The ecstatic massage quickly turns into a toe-licking orgy of sensory overload as they discover that the sole is the window to a girl's pleasure center. The two scandalous lasses quickly find all the right excuses to rip each other's clothes off and get into some serious toe worship. Ruby teases Capri's bald little box, then lets Capri return the favor with gusto. While the giggly girls wrestle toes, they decide to share a ride on a double-ended dildo. The fun doesn't stop there, though, as Ruby has one more toy to tickle Capri's fancy. Capri's soles wrinkle up as Ruby takes her from behind, bringing on the release she so desperately craves!
